

Deception of The Bible Society

By Bro.Isaac E. Kusuma www.aotle-india.org E-Mail : info@aotle-india.org

All Christian denominations like The Bible Society very much. Irrespective of denomination, people come forward to donate to The Bible Society. But the people do not realise how the society deceives them. The Bible has been translated into many languages and is being translating into more languages, especially in India. It is interesting to note what they write on the first page of the Bibles:

“This Bible has been translated from the original Hebrew and Greek languages.”

If the Bible is translated from the original Hebrew and Greek languages, my question is, why did they change His name?

In the Bible we see:

1. *Elohim* translated as **God**.
2. *Yahweh* translated as **Jehovah**.
3. *Yahshua* translated as **Jesus**.
4. *Messiah* translated as **Christ**.
5. *Adonai* translated as **Lord**.
6. *Yahweh* translated as **LORD**.

The translators were not consistent in their translation. They changed the names mentioned above but other Hebrew names and words were not changed. They are:

1. Halleluyah
2. Immanuel
3. Gabriel
4. Amen
5. Nathaniel
6. Rabboni

There are many more words mentioned in the Bible that have been left in the original language. When I asked The Bible Society about these discrepancies, they sent me the following reply that I am reproducing below:

Dear brother Kusuma:

Greetings for the New Year!

With reference to your query as found in your email of 27 December 2004, **let me say that all Bible translations are done based on UBS translation principles and there is no compromise whatsoever. In fact, the Indian vernacular forms of most biblical names, whether divine or otherwise, are closer to the original ones.**

As I was not satisfied with their answer, I queried back with another email and this how they responded back:

Sub: Bible names
Date: January 14, 2005
Ref: TD/T11

Dear Bro. Kusuma:

We are sorry we could not satisfy you. It is good for both sides if this correspondence is now brought to a conclusion.

If not answering biblically is a way of deceiving, then cunningly avoiding the subject is another way of deceiving. Even those who do not know the ABCs of the Bible with titles like Reverend, Bishop and Doctor, are acquiring degrees like C.Th., D.Th., B.Th., M.Th., B.D., D.D., M.B.Th. and Ph.D. based on the wrong translations of the Bible by The Bible Society. These people receive honours and felicitations as elders and revered people in the Christian society. The deception of these people should be known to all.

“The elder and honourable, he is the head: the prophet who teaches lies, he is the tail. For the leaders of this people cause them to err, and those who are led by them are destroyed.” Isaiah 9:15,16.

Isn't The Bible Society the head of this namesake Christian world? And aren't the prophets who teach lies of The Bible Society, the tails?

What would the preachers, who frequently teach that we should not add or remove anything from the Bible, say when they see the letter from The Bible Society? Who is now adding, removing and removing by adding? What is the reason that the original words from the Bible are not in the Telugu translation of the Bible? And who is responsible for this?

Please see the letter on the back page. It is generally said that the New Testament was written in Greek language. (**This, too, is a lie. Even the New Testament was originally written in Hebrew. I will tell more about this later**). Okay, Even if it was written in Greek, have these translators translated correctly? If we check this, we realise even that is not true. **There is no mention of the word, “Sunday” in the Greek language. Please see the Greek proof of this on the back page. The Bible Society admits to having changed the word “Sabbath” to “Sunday” in EIGHT places.** Namesake Pastors, Reverends, Bishops, Radio and TV preachers, and leaders of denominations who have not realised this truth teach that:

Sunday is the day of resurrection
Sunday is the day that they broke bread
Sunday is the day that they collected offering

With these false teachings they have deceived the Christian world. Look at the deception of The Bible Society! The actual name of our Creator is **Yahshua Messiah**. While translating this name from Hebrew to Greek, the following changes have been made:

Yahshua Messiah in Hebrew was changed to **Iesos Christos** in **Greek**

Yahshua Messiah was changed to **Jesus Christ** in **English**

Yahshua Messiah was changed to **Yesu Christhu** in **Telugu**

Yahshua Messiah was changed to **Eesa Masih** in **Hindi**

In this method, His name has been changed from one language to another. Does our name change when told in another language? Isn't this deception? Many more deceptions have been made while translating. Shouldn't the persons who change some names, change all the names? What is the reason for changing some and not changing others? You, the readers, should realise this. What is the intention of The Bible Society by keeping silent when being asked for an answer? Don't they have the responsibility to give an answer? **Instead of blaming the actual culprits (The Bible Society) what is the use of blaming the preachers for false teachings?** A person from one Mission cannot love a person from another Mission; they cannot even help a person from another Mission. Yet, how do people from all the Missions love The Bible Society? Why are they helping them? Do you now see the deception of The Bible Society? You donate so much to them and they sit in AC offices, drive AC cars, and receive big salaries. Then they translate incorrectly and throw it in our faces. If we question them they answer with silence.

Close to our area lives an atheist / agnostic. He researched the Bible and published many books about the mistakes and translation errors found in the Bible. When questioned about these issues, powerful and prominent preachers avoid confronting them because they do not have

any answers. Isn't The Bible Society responsible for causing this? The Bible Society, and not the preachers, should answer the questions that the atheist asked.

The atheists wrote a Bible called the "Bible Darshini." In it they mentioned:

- 1. Un-related things**
- 2. Impossible things**
- 3. Things that hurt others**
- 4. Mispronouncing of words and statements**
- 5. Irrational things**

The Bible Society should be the ones to give an answer.

While studying at Doon Bible College in Dehra Dun, I kept asking some questions. Because they could not answer them, they called me the devil. Some of the students called me a false prophet. But I knew that only ignorant fools would speak like that. If I confronted them, they would shut their mouths. Yet, they would bark like dogs behind my backs. It is the same even today.

Tradition-following Christians can never get along with truth-seeking Christians. I have questioned many theologians who have completed their Doctor in Divinity degree. They keep saying that it is 'this' or 'that' in Hebrew or Greek. But these intellectuals are similar to what Jeremiah said in Jeremiah 5:5.

I have collected forty different languages translations of The Bible with Hebrew and Greek Interliner. We need not speak about so many, even in our Telugu Bible, we have so many translation errors. I made a list. I will show you later. While writing "Pascha" in Telugu, it has been translated as "Easter" in English. **Doesn't The Bible Society know the difference between Pascha and Easter?** The Bible Society wrote, "Aren't His sisters with us?" and then corrected it. Likewise couldn't they have corrected all their mistakes? **In the New Testament, the word "Sabbath" has been correctly translated as the "day of rest" in most places but in EIGHT places the same original word has**

been translated as “Sunday.” Isn’t this the work of Satan? To top it all, to cover their error, they say that they are doing this to make the people understand better. Isn’t this wrong? Does that mean that our Heavenly Father gave us the Bible that cannot be understood? Can’t the people understand the names, Yahweh, Yahshua and Messiah? Or are they so difficult to pronounce. If that is so, how are we able to pronounce the words, Hallelujah, Amen, Eli Eli Lama Sabachthani, Yepatha, Golgotha, Rabboni, etc? Brothers of The Bible Society, remember that your lies cannot shut up truths. Your wrong translations will not hide the truth. I have all the evidences of wherever you have translated erroneously and whenever you have added any verses to the Bible. You will have to give an answer for them.

The days have come when the people, who have been deceived by your lying words and your erroneous translations, will open their eyes. The days are coming when pastors’ faces will be smeared with dung and they will be dragged out on to the garbage heap (Malachi 2:1-3). Deceit will not last for a long time. **At least now the folks at The Bible Society should come to their senses and translate correctly and print the Bible again. By printing the Bible with erroneous translations, do not mislead the people and send them to eternal hellfire.**

Those who have become ministers for the sake of your stomachs and luxurious lives, please stop your lies at least now. The word, “Sunday” is not in the Greek Bible. I am sure you have noticed the word, “Sunday” being mentioned in the following verses:

Matthew 28:1; Mark 16:2; Mark 16:9; John 20:1; John 20:19; Acts 20:7; Luke 24:1; and 1 Corinthians 16:2. Do not deceive the people. People, collecting and sending donations to The Bible Society is not enough, you should also examine them carefully. By donating to The Bible Society, do not think that you are doing something great. First ask The Bible Society to correct the erroneous translations. There are many more issues that need to be addressed but I will speak about them later.

May Yahshua Messiah lead into the truth!
